

Please help us keep our prayer list updated by informing us graciously when names need to be added and removed. If we have taken off names that you would like for us to continue to remember in prayer please graciously inform us. Thanks.

Due to federal hospital regulations, HIPPA, hospitals and care centers can only contact the church if you or your family give them permission or directions to do so. There is no way that Pastor can contact all facilities on a regular basis unless he knows of someone is admitted. Please leave message on the answering machine at the church as well as Pastor does have voice mail on his cell phone. If you should be hospitalized and do not receive a visit within 24 hours after contacting the church, please do so again because for whatever reason possibly the message has not been received.
